Dearest Potential Team Sponsor:

Moreno Valley Aquatics is a local non-profit swim team, in your community. Founded in 1997, MVAQ has evolved from a summer recreational program to a year round program. MVAQ is dedicated to developing strong swimming skills and instilling sportsmanship in a positive environment.

MVAQ is a member of Southern California Swimming-Eastern Section, which encompasses teams from Riverside and San Bernardino Counties. The program has produced a high number of outstanding swimmers, including some that have achieved National, Junior National and World Class ranking. MVAQ membership averages between 100 and 150 boys and girls between the ages of 4 to 18.

MVAQ needs help from you. MVAQ has hosted swim meets several times, sometimes more than once a year. Swim teams from throughout Southern California attend these meets. Any type of donation: gift certificates, food supplies, raffle items or monetary donations would be greatly appreciated. Inquires and/or donations may be directed to the above address, or you may call Sonia Bilaver at 951-488-8770; Lisa Frederick, at 951-247-8808. Fundraising efforts go on throughout the year.

Please contact one of the above persons to find out about deadlines to be included in the program of an upcoming meet.

Please visit us at www.MVAQ.com. "Walk-ins" are also always welcome! Come visit us at the pool! (Practice times and dates are posted on the site.)

Thank you
MVAQ
